it's about YOU

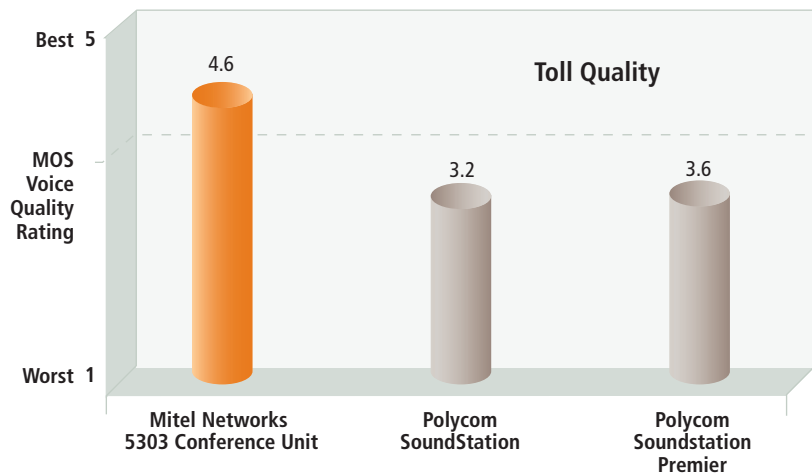

See What the Experts Say

- Offers simple, straightforward configurations and an intuitive user interface
- Packs many features in a small, functional phone
- Demonstrated "toll quality" voice in both normal and presentation modes

See How We Faired Against the Competition

"The 5303 demonstrated an excellent ITU Mean Opinion Score (MOS) of 4.6 in a 'normal' setting (handset to conference phone without background noise) compared to ratings of 3.2 and 3.7 for the Polycom SoundStation and SoundStation Premier, respectively." Miercom

Voice Quality MOS Ratings Compared*

* This represents ratings obtained in tests conducted from handset to conference phone without background noise. Ratings of 4.0 and higher are toll quality."
